Ulster Hurling League Div.2B

Carey Faughs 1-14 Gort na Móna 1-14

This was the first competitive match of the season, played on 28th March. A draw was probably a fair result for two evenly matched teams. At half time Carey were leading by 2 points, but the end result was a draw. Carey Scorers: Ciaran Mc Caughan 0-1; Cathal Mc Auley 0-4; Martin Hunter 0-7; Martin Mc Auley 0-1; Colly Smyth 0-1; Rory Mc Bride 1-0.

An Charraig Mhór (Tyrone) 2-16 Carey Faughs 1-8

We travelled to Tyrone, last Saturday, to meet the County Champions with a very young panel. Indeed at one stage we had seven minors on the field. The first half was a fairly even affair, with the aid of five senior players, we were unlucky to go in at half time 1-6 to 0-5 in arrears. With an important match the next day we introduced all of our young players, who gave an excellent account of themselves, against the majority of the Tyrone County team. Some great goalkeeping from Chris Butler inspired the team, with great displays from James Black, Steven Mc Ginn and Shane Mc Cambridge. Carey Scorers: Martin Hunter 0-5; James Black 0-1; Nat Hunter 0-1; Fintan Mc Carry 0-1; Conor O' Brien 1-0.

Sraith an Chontae Roinn 3 / All County League

Div.3

Carey 2-10 Lamh Dearg 3-17

We opened our All County League campaign last Sunday, with a home defeat against a strong Hannastown side. Despite a fairly even first half, we went in at half-time 1-5 to 2-6 in arrears. A late goal from the city men in the second half, gave Lamh Dearg their first win in Carey for a long time. Carey Scorers: Martin Hunter 0-5; Colly Smyth 2-2; Ciaran Mc Caughan 0-2, James Black 0-1.

Cúinne na Gaeilge / Irish Language

Corner

Ever wonder what things were like 100 years ago. The 1911 census for Antrim is now on-line-
www.census.nationalarchives.ie
Carey still had native Irish speakers then. The Blacks from Twenty Acres, the Gillens from Lossett and the Stewarts from Murlough.

Cushendall (Ardclinis) and Rathlin still had large numbers of speakers who filled their forms in Irish.

Today Irish is on the up again, so lets hope the last hundred years were only a blip in a previously almost 3000 years of unbroken language. **Is fada an bóthar nach mbíonn casadh ann** (It is a long road without a turn!)
