If Carey beat Rasharkin in next Saturday's match, the team will be virtually assured to be promoted to Division 2. ### Corner

**Samhain** (Halloween): A Gaelic festival: One of the four major festivals of our ancestors. Samhain marked the coming of darkness and also a time of year when the lines between this life and the next became blurred. We Gael's honoured our ancestors at this time of year.

The first Christians understood the power of the old religion, so as with most of the old festivals they overlaid Samhain with the feasts of All Saints and the Holy Souls, thus keeping the special significance of the festival but bringing into Christian idiom, a mix of the old and new!
