Cruinniú Cinn Bliana / AGM

The Clubs AGM was held last week. Thanks to everyone who attended, and also all the past Committee members for all their work and efforts during the past year. A new Committee was elected (as outlined below) and we thank them for taking up the various positions in the Club. The Club and Committee is always looking for new members, so if you are willing to help in any way please feel free to volunteer your services to any of the Committee. Anyone at University or Secondary School who wants to learn about running a Club and the administration involved and who wants to brush up on their financial or organisational skills (this looks great on a CV, and adds to your employability), should contact a member of the Committee and we can give them experience
